

Specific Guidelines For Hurricane-Related Debris

PICKING UP THE PIECES

Following these specific guidelines when hauling hurricane-related debris and household garbage to the curb will make for a speedier removal process

WRONG WAY

- CROSSING THE LINE**
Any debris placed from the sidewalk toward your property will not be picked up. Contractors cannot collect items on private property.
- PROPPING UP**
Do not set debris against trees or poles. Doing so makes it harder for cleanup crews to scoop up the items.

CORRECT WAY

Homeowners and businesses are being asked to separate debris into the following categories:

- | | | | | | |
|--|--|---|--|--|--|
| <p>1 HOUSEHOLD GARBAGE</p> <ul style="list-style-type: none"> ▶ Bagged trash ▶ Discarded food ▶ Packaging, papers ▶ All garbage should be placed curbside the night before the scheduled weekly pickup. | <p>2 CONSTRUCTION DEBRIS</p> <ul style="list-style-type: none"> ▶ Building materials ▶ Drywall ▶ Lumber ▶ Carpet ▶ Furniture ▶ Mattresses ▶ Plumbing | <p>3 VEGETATION DEBRIS</p> <ul style="list-style-type: none"> ▶ Tree branches ▶ Leaves ▶ Logs | <p>4 HOUSEHOLD HAZARDOUS WASTE</p> <ul style="list-style-type: none"> ▶ Oils ▶ Batteries ▶ Pesticides ▶ Paints ▶ Cleaning supplies ▶ Compressed gas | <p>5 'WHITE' GOODS</p> <ul style="list-style-type: none"> ▶ Refrigerators ▶ Washers, dryers ▶ Freezers ▶ Air conditioners ▶ Stoves ▶ Water heaters ▶ Dishwashers | <p>6 ELECTRONICS</p> <ul style="list-style-type: none"> ▶ Televisions ▶ Computers ▶ Radios ▶ Stereos ▶ DVD players ▶ Telephones |
|--|--|---|--|--|--|

- HELPFUL HINTS**
- A** Limit curbside garbage to two 32-gallon containers or eight trash bags
 - B** Share piles with neighbors
 - C** Refrigerator and freezer doors must be secured with duct tape

After a storm, residents will be notified by the Notification System of when hurricane debris will be picked up. Household garbage will be picked up by our regular Waste Management Company separately from hurricane debris.

Remember to be cautious when burning as water supply may not be available and only burn wood and wood products. Do not burn any item that would emit toxic fumes.

If you have any questions about Hurricane-Related Debris please contact The Jones Creek Office of Emergency Management at 979-233-2700.

Thank you for your Cooperation!
