INTRODUCTION

I am a Volunteer for Village of Jones Creek; I'm conducting a survey for The Village of Jones Creek.

Jones Creek is applying for Co=unity Development Block Grant (CDBG) funds. The CDBG Program supports co=unity development activities. The following survey asks how many people live in your household, how many family members (including yourself) live in your household, your total family income, and some demographic questions. This information is needed as part of an application for CDBG funds. There are also additional questions that pertain to our quest to add city services and sidewalks to Primrose, Bluebonnet and Stephen F. Austin Road (Hwy 36 to S.F.A Elementary) to our growing community.

This survey is voluntary, will take less than 5 minutes, and your individual responses will be kept confidential.

Do you have a few minutes now to answer these questions? *[If YES, proceed. If NO, use probes below to respond to concerns; ask if they have farther questions or if we can follow up later.]*

IF RELUCTANT TO TAKE PART:

- It is very important that every household participates so that Jones Creek has accurate information for the application process.
- This information is needed to verify that our Village is eligible to receive funding from state and federal sources. The funds we could receive would provide Jones Creek with important resources to help address a wide range of community needs including providing good housing, creating, and retaining jobs, and other development projects.
- The information you provide will be kept completely confidential. The Village of Jones Creek Officials, Volunteers, and Staff will not release confidential individual responses. All answers will be combined- they will only receive a summary of the results.
